Zielpublikum This intensive course is intended for students with a very good level of English which will enable them to take the Cambridge Proficiency Certificate after a short, intensive period of preparation and also for students who have done a CPE course but have not passed the exam. The course is exam specific, although students are free to decide whether they want to take the exam or not.

Ausbildungskonzept You will read a wide variety of texts from different sources, including fiction and non-fiction books, journals, newspapers and magazines. Writing covers non-specialised text types; letters, articles, reports and reviews covering a wide range of topics for a given purpose and target reader. Grammar and vocabulary covered in this course will enable you to demonstrate the knowledge and control of the language system, at word, sentence and text level. Listening will be taken from a variety of text types including interviews, discussions, lectures and conversations with particular attention paid to speakers' attitudes and opinions. Speaking on the course will improve your ability to interact in conversational English in a range of contexts and speaking to an audience. Homework: approx. 4-5 hours per week. A mock exam will be held on a Saturday during the course.

Studying for CPE level English helps learners to improve their language skills and to learn to use them in a wide range of contexts. Many aspects of the course are based on realistic tasks. The CPE certificate demonstrates that learners have progressed beyond a good knowledge of vocabulary and grammar to a proficient use of the language. The course practises the skills tested in the CPE exam: Reading - Writing - Use of English - Listening - Speaking. This exam corresponds to level C2 of the Common European Framework of Reference for Languages.

Voraussetzungen Cambridge Advanced, BEC Higher or similar level, no certificate is required

Prüfungsvorbereitung An optional mock exam is held shortly before the Cambridge Exam.

Abschluss CPE - Cambridge Certificate of Proficiency (Niveau C2) is the highest level of the Cambridge exams in English for speakers of other languages (ESOL).
